

WUN Matching Fund - Application Form

*for UWA participation in externally-administered
WUN Research Development Fund applications*

The purpose of the WUN Matching Fund is to support UWA participation in externally-administered WUN *Research Development Fund* (RDF) applications, which require cash contributions from partners.

Applicants should refer to the *WUN Research Development Fund Guidelines*, available online at: www.grantinterface.com/Process/Apply?urlkey=wun.

Applicants will be required to provide evidence of invitation to participate in the collaboration - i.e. an email or letter from the lead investigator on the proposal, or the WUN coordinator of the administering university.

This funding will be contingent upon the success of the proposed RDF application listed below. Grants of more than AUD\$2,500 will not generally be considered.

Applications should be discussed with the UWA WUN Coordinator, [A/Prof. Judith Berman](#).

Please submit a complete, signed form, including supporting documentation, via email to jerline.chen@uwa.edu.au, by **5.00 pm, 16 October 2016**.
