Certification by the first named Chief Investigator (on behalf of all Chief Investigators)

<ul style="list-style-type: none"> The funds offered and other known resources and basic facilities such as accommodation, administrative support, technical workshop, computer time, library materials and statistical analysis are sufficient to make the project viable. If the funds are used to provide scholarship support to a graduate research student, an Ad Hoc Scholarship Proposal form will be submitted to Graduate Research and Scholarships upon student commencement. Please also contact Graduate Research and Scholarships if you have not yet found a student and wish to advertise the scholarship. I have read, understand and accept the conditions of award stated in the guidelines of the scheme. I am satisfied with and willing to observe them and will assist the University to comply with them.
